From the Desk of the Principal.....

Happy New Year and welcome back! I hope that each of you had a joyous holiday season and enjoyed the extra time you had with your family and friends. The holiday season is a time to reflect on the year that has passed and a time to focus on what lies ahead of us in the upcoming year. The months following the holidays are the best teaching time because students and staff come back refreshed and ready to learn.

Many of you are aware that Ms. Wallace moved away during the holidays. We are excit-

ed to welcome Ms. Voegel as her replacement. Ms. Voegel has many years of experience as a classroom teacher and a school counselor and we are excited to have her join the TES family.

Your children may have come home after the first day back from the holidays and shared some changes that have occurred! The lunch schedules have been extended to 25 minute blocks; the computer lab will now operate under an open schedule so that teachers can take their classes at times when technol-

ogy will support their daily instruction; the special area teachers will begin to collaborate with the regular education teachers to enhance opportunities for the children; and several teams are implementing the reading workshop. You should receive a monthly calendar that will help you know what special area your child has each day, when he/she has library and collaboration times.

Have a wonderful month!

Sincerely,
MariAnn Arnold

I will be finishing up classroom guidance visits this month. I've enjoyed being in the classroom with your children, and hope to make some surprise lesson visits through the remainder of the year. We've been able to talk about a variety of personal, social and career skill topics. I am now beginning the set up for small group lessons to begin by February. These will be for students that may need additional help in areas such as: anger, dealing with divorce, coping with loss, social skills, etc. I will let you know if your child has been referred by their teacher to join one of these groups. If you would like to request that your own child be included in a group for help in a certain area, please let me know by sending a note addressed to me, through your homeroom teacher or the office. You can also e-mail me at heidi.heiss@spencer.kyschools.us or call the school 477-3339 (ext.3240).

The December Kindergarten Registration events for 2014-2015 were fun. It was great meeting the incoming students and family members. We look forward to seeing these future students at our school events between now and the start of next year. If you haven't yet registered your future Kindergarteners for coming to school next year, please make sure you contact our front office as soon as possible. You don't have to turn in all the paperwork right away, just getting the basic information in our records is important, too.

The 2nd round of MAP testing wraps up this month also. Those reports will be used to help pinpoint your child's strengths and weaknesses. Questions and concerns from these reports (and others) may be reviewed with your child's teacher. The February parent/teacher conferences will be a great opportunity for these discussions.

Stay warm,
Miss Heiss

Madison Grubb, Jaiden Harris, Lucas Hornback, Sierra Knapper, Christian Milburn, Luke Payne, Yeidimar Perez, Aaron Persons, Hayden Smearcheck, Dillon Smith, Colton Todd, Leo VonKalben.

TES PTA NEWS

PTA would like to thank all of the volunteers who helped out with the Santa Shoppe, Cookies and Milk with Santa, and with sorting apparel during December. All events were a great success! Next month, we will have our annual Krispy Kreme fundraiser and we are making plans for the Walk-a-Thon in early Spring. If you have not already done so, please "like" us on facebook to stay up-to-date on PTA Events!

Nurse Notes

Happy New Year! I hope each family had a happy and healthy Christmas break. As we return to the classroom, please let me remind you that we, as a school, expect your children to be in attendance each day. There are many days when adults and children alike don't feel "well", but we must give it our best and pursue the day at hand!

When should you keep your child home? If your child has a fever (≥ 100), vomiting, diarrhea, rash, or any symptom that needs to be addressed by a physician. Children should be fever free (< 100 for 24 hours without using fever reducing medication) before returning. Even though this is our recommendation, if he/she does not have a physician note, you must use a parent note.

The Flu is now "widespread" across Kentucky. It is not too late to receive the flu vaccine. Please contact your primary care provider or the Spencer Co. Health Dept. (477-8146) for information on receiving this vaccine. As always, good hand washing is the best way to prevent spreading this virus. Also, encourage your children to keep hands away from

their nose, mouth, and eyes, get plenty of rest, stay hydrated, eat balanced meals and dress appropriately for the weather.

Flu symptoms come on suddenly and may last several days. These symptoms may include: sore throat, fever/chills, muscle aches, fatigue, cough, headache and runny/stuffy nose. If you or your family member experience these symptoms, contact your physician for treatment. Please feel free to contact me if you have any concerns about your child's health and safety while at school.
